Originator Community Services	Item 2015 Bloomington Survey Results
Agenda Section STUDY	Date August 17, 2015
Description	

The City of Bloomington recently completed two surveys – the fourth annual National Citizen Survey™ of Bloomington residents and the first-ever National Business Survey™ of Bloomington businesses. Both polls were conducted by the National Research Center of Boulder, Colorado. Staff will share the findings of both surveys during the study meeting presentation. Copies of the complete survey results will be distributed at the City Council study meeting.
